

## **AS WE BEGIN THE NEW YEAR, HERE ARE SOME THINGS AS MEN OF GOD WE OUGHT TO CONSIDER.**

### **Am I not a disciple of Christ?**

- Does the world see the way in which I live as distinguished from that of my neighbor?
- Would they say: "There goes a follower of Christ! Or do I rather look like them?"
- Do I serve Him or money!
- What of the possessions I store?
- What of my speech?
- What of my prayer?

### **Do I follow Christ really?**

- Has my life this year past been marked by the willful suffering for others?
- When they spit upon me, abandon or hurt me, have I laid then my arms out?
- Is my life an outpouring of His mercy?
- Is my road broad and easy or narrow and difficult?

### **Do I feed myself upon His Every Word?**

- Or am I rather starving?
- Do I give up on His word for the sake of peace?

### **Do I really obey Him?**

- What of the poor, the naked, the imprisoned? Have I passed them by?
- Has an injustice gone ignored?
- What of honoring of my Body?

### **Do I Trust Him?**

- What of Worry?
- What of Money?
- What of Anger?

### **Do I hunger and thirst to be right with Him?**

- Do I submit myself before Him as my Lord in prayer? To change my heart?
- When did I last confess to another?
- Do I take within me His Body and Blood?

### **Will I be Following Him Now? Am I not His Disciple?**
